The report subd does not satisfactorily explain the large decrease. How was it that a much larger amount was paid for the same Farms last year? ~~Does~~ Did the Farmers sustain loss last year? There are points on which the Excise Comr may perhaps be asked to report.

Cause of the loss of Rs 1148-4-9 in the

Dated 30th June 1896.

No. 1/A

Enclosure No. 1

His No. 4745/263 dated 25th May 1896.

I have the honor to forward herewith a statement of the Toddy rentals of Inam villages in Hoskota Taluk for the current and coming official years. The decrease of Rs 1148-4-9 for 1896-97 is mainly due to the deficiency of date trees fit for tapping in Inam villages. There was a net decrease of Rs 1249-8-0 in the seven villages belonging to the Sandagudi Inamdars five of them were taken up by the Inamdars themselves in the absence of outside bidders. Of the remaining seven

Seven Inam villages there was no bid for one, and four others shew comparatively small decreases, but put together the seven villages shew an increase of Rs 101-3-3. If this is set off against the above Rs 1249-8-4 a net decrease is the result of Rs 1148-4-9.
